

Brief Job Description:

Staff Development Coordinator; responsible for planning, implementing, and delivering professional learning opportunities for MCS classified support staff - including central office staff, administrative support personnel, building engineer staff, central nutrition services staff, maintenance staff, educational support professionals and other support staff. Also designs, develops, and implements programs of evaluation for classified and central office personnel, aligning the evaluation components with the superintendent's evaluation plan conducted by the Board of Commissioners.

Selective Service Commander Det 2AR; duties are twofold. During Peacetime I interview Selective Service board member candidates, trains board members, ensure space, equipment, and supplies are available in the event a draft is activated, participate in readiness exercises, and remind young men to comply with the registration requirement. During a draft I open various state and local Selective Service offices in Arkansas, recruit and train staff to support Selective Service activities during the draft, and provide refresher training to board members.

Any other information you would like to share with the voters: I am seeking to become one of your next city council members because I care about our city, our way of life now and the future that we will leave to our children. I believe I bring experience, values, character, and the dedication required to lead our city forward during this period of opportunity, change, and

challenge. I have a core set of principals and values that I believe to be of the utmost importance and I believe that as an elected official you have an obligation to listen to the various view points of others. I also believe that working with the other elected officials to do what is in the best interest of our city should be the highest priority to those elected to serve without compromising their integrity or core values. Lastly, it is imperative that our elected leaders lead by example.
